

# PITT ISLAND DAY TOUR

With its majestic cliffs, rugged scenery, bush reserves and natural way of life, Pitt Island is recognized as the jewel in the Chatham's crown.

Pitt Island is home to some of the worlds rarest birds and plants and is the first inhabited place in the World to witness each new day.

Highlights may include: Mt Hakepa, Glory Cottage, Ellen Elizabeth Preece Conservation Covenant, Flowerpot jail, Waihere Bay, Moriori and European history

The amazing Air Chathams scenic flight and Island lunch at Flowerpot Bay Lodge makes this tour a Chatham's must do.

## Dates and times

Tours are available from October through April, 7 days a week. All tours are subject to weather, aircraft availability and minimum numbers. Tour itinerary can be tailored to suit and may be changed without notice.

Mt Hakepa walk by request, additional \$10.00 pp

Want to Stay — see our Flowerpot Bay Lodge flyer

**Bookings** are essential.

If you are contemplating visiting Pitt Is, we suggest that you book early so as to allow an alternate day if weather conditions do not permit. Booking must be made directly with Flowerpot Adventures using our booking request form.

You will need to arrange your own transport to and from main Chatham airport, our main Island accommodation provider may assist with this.

A minimum number of 8 pax are required, maximum 10, unless by prior arrangement. Smaller groups may be combined.

The full tour itinerary and essential information is listed on our webpage <https://www.flowerpotlodge.co.nz/the-original-pitt-island-day-tour>

Some walking is required, a reasonable level of fitness and good footwear is essential

**Price Guide: \$450.00 pp includes, GST,  
Return scenic flights, Full Day Tour & Lunch**
